Welcome to the 2026 series of concerts at
PATHWAYS PRESBYTERIAN CHURCH
AT ST ANDREWS

Welcome to another year of concerts to warm hearts and bring enjoyment.

Since strengthening and internal refurbishment, performers, presenters and patrons have enjoyed the atmosphere and flexibility of this sacred space. Pathways is delighted to continue assisting local, national and international performers to bring enjoyment to you through their concerts.

The Organ Power series will continue with the usual variety but with an emphasis on works by romantic and 20th century French organ compositions.

The two J S Bach recitals will show how Bach delights us through dance and his deep and thoughtful interpretations of the Word of God through his Choral Preludes.

This year is the Sesquicentenary of Presbyterianism in the Manawatu with the church established on this site in 1876. Pathways will hold daily events From August 10 to 14 in celebration of 150 years.

We have a pipe organ of beautifully crafted over 150 year old pipework and a grand piano donated by the van Kraayenoord family in 2013.

For more information on concerts, please contact Roy Tankersley 027 315 7760 Organiser
